Dedicated to,

My beloved family, without whose endless love and support, I could not achieve this.

Declaration of Authorship

I, YOUR NAME, declare that this thesis titled, '*Thesis title*', and the work presented in it are my own, under the guidance of my supervisor. I confirm that:

- This work was done wholly while in candidature for Master of Technology in FULL COURSE NAME at Indian Institute of Technology, Bhubaneswar.

- This work, wholly or partially, has not been submitted to any other institute or university for any degree or diploma.

- I have abided by the norms and guidelines given in the Ethical Code of Conduct of the institute.

- Where I have consulted the published work of others, this is always clearly attributed.

- Where I have used materials from the work of others, I have given due credit to them by citing them in the text of the report and giving details in the references. With the exception of such citations, this thesis is entirely my own work.

- I have acknowledged all main sources of help.

- Where the thesis is based on work done by myself jointly with others, I have made clear exactly what was done by others and what I have contributed myself.
