## 2 Internship Activities

The internship took place in the months of June to September. Most of the work was done either at the office of LoremIpsum, Location, or my place of residence when working from home. The first two weeks were spent reading the literature and discussing possible approaches. The next X weeks were spent on dolor sir amet. Finally the model was evaluated with consectetur adipiscing elit in the last Y weeks.

## 7 Acknowledgements

I would like to thank my internship supervisor at External Company, FirstName LastName, for closely working with me and supervising me, hosting regular meetings (twice a week) with me to see my progress. I would like to thank FirstName2 LastName2, External Company, for helping out with my work. I would also like to thank FirstName3 LastName3, and FirstName4 LastName4, who were involved in the interviews and selection process for the internship position, for giving me an opportunity to work in External Company. I would like to thank First LastName, from Radboud University, for acting as my internal assessor for this internship. I would also like to thank BlahBlah LastName, the internship coordinator for the Artificial Intelligence Masters Course, for helping me find the internal assessor, and also helping me with all the documentation and administration part of the internship. Finally, I would like to thank Radboud University, for giving me an opportunity to work in an external company environment as a part of my Master's course.
