West University of Timișoara

A short introduction to the West University of Timișoara Theme

The **UVT Theme** (used as `\usetheme{uvt}`) is a modern theme for Beamer based on the official [UVT branding](#)¹. Some of its elements and styling are inspired by [Trigon](#) theme².

It comes with a few nifty features:

- ❖ Use of the official color scheme for UVT throughout.
- ❖ Customized environments.
- ❖ As close as possible to the official template.

Separate parts are available as e.g. `\usecolortheme{uvt}`!

¹<https://dci.uvt.ro/identitate-vizuala>

Styling Elements

This theme uses the *Myriad Pro* font. This is a clean *sans serif* font from Adobe that is recommended by the official UVT branding.

The theme has three standard colors:

- ❖ A nice **light blue** (UVTLightBlue).
- ❖ A bolder **dark blue** (UVTDarkBlue).
- ❖ An attention grabbing **yellow** (UVTYellow)!
- ❖ Variants `color!x` can also be used to darken or lighten them

These can be used for emphasizing **text** or for more obvious **alerts**. Standard **bold** and *italic* emphasis can of course also be used!

We have various standard Beamer blocks styled in a pleasing fashion.

Block 1

Some block block.

Alert 1

Some alert block.

Example 1

Some example block.

Itemize

- Itemize lists are nicely customized ...
 - All the way down ...
 - To the third level!

Enumerate

1. We can also enumerate!
2. Many things!
3. It's great!

Description

UVT And describe our university in exquisite detail, so that we can capture all its multiline greatness!
